

Visiogrande

LAMINATE TILES

DER EINZIGARTIGE FUSSBODEN
THE UNIQUE FLOORING

Ist es wirklich Laminat?

Is it really laminate

Visiogrande. Die Laminatfliese. Made by Classen.

Authentisch und echt. Einzigartig und lebendig. Seit vielen Jahren am Markt etabliert, überzeugt Visiogrande durch authentische Dekore und Oberflächen mit beeindruckender Struktur. Kollektionen und Dekore wurden erweitert, die Erfolgsmarke relaunched.

Es sind die hohe Verarbeitungsqualität, die einfache Verlegung und Pflege und nicht zuletzt die Vielzahl ansprechender Designs und Dekore: Visiogrande ist die Laminatfliese, die keine Wünsche offenlässt.

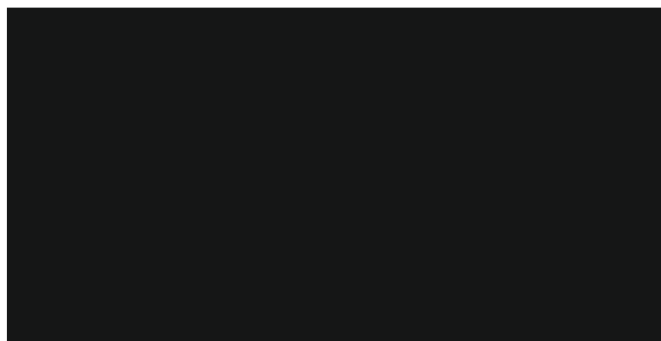

Überzeugen Sie sich.

Visiogrande. The laminate tile. Made by Classen.

Authentic and real. Unique and vivid. Firmly established on the market for many years, Visiogrande has convincingly authentic decors and surfaces with an impressive texture. The collections and decors have been extended, the successful brand relaunched.

It is the high quality of workmanship, the easy laying and care and, last but not least, the large number of attractive designs and decors: Visiogrande is the laminate tile that leaves nothing to be desired.

See for yourself.

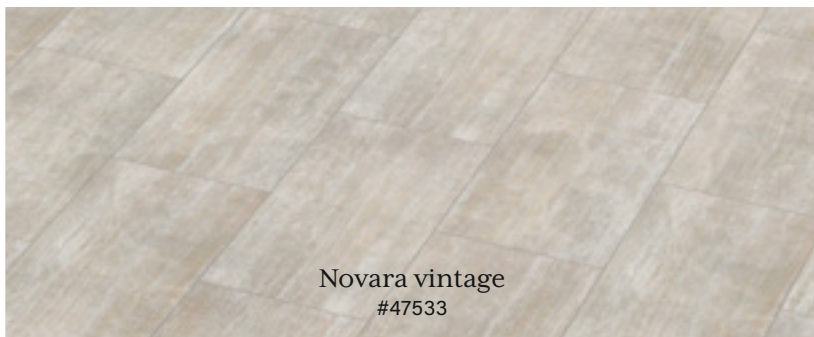

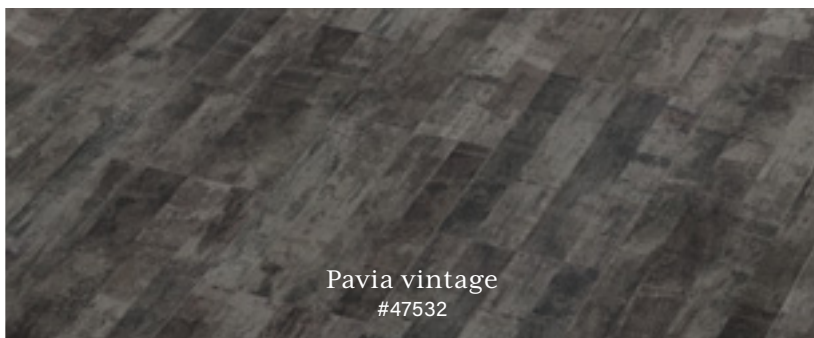

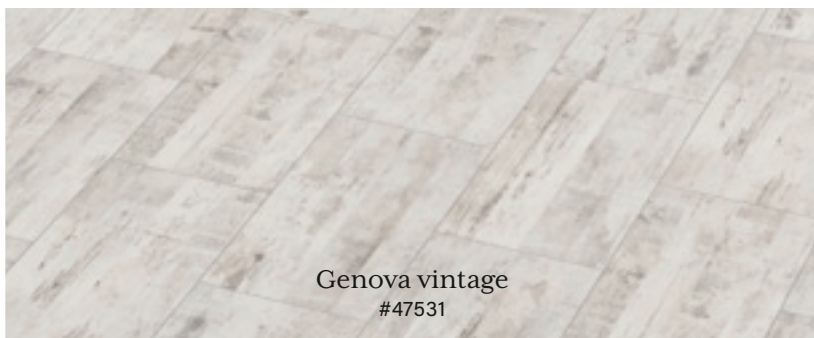

Puro

NATURALLY PERFECT

Natürliche Schönheit. Zeitgemäß schlicht und ebenso markant und beeindruckend präsentieren sich die Dekore der Kollektion Puro. Die schlichte Eleganz italienischer Böden war Inspiration. Manchmal ist eben weniger mehr.

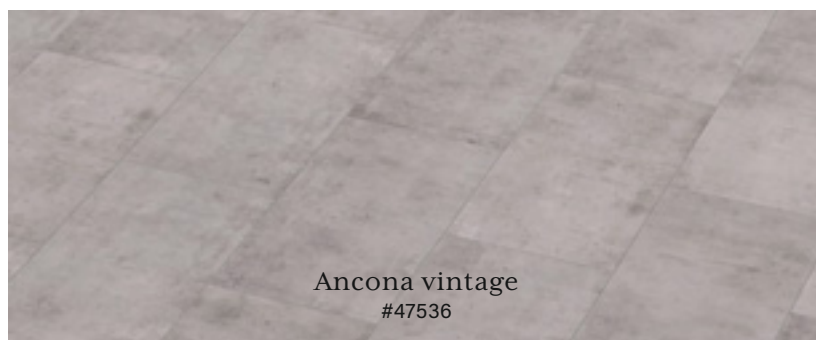

Natural beauty. The decors of the Puro collection present themselves as contemporarily simple and just as striking and impressive. The inspiration for the designs was the simple elegance of Italian floorings. Sometimes less is more.

Autentico

JUST DIFFERENT

Authentische Vielfalt. Von Beton und Estrich über Schiefer und Sandstein bis hin zu Granit. Autentico zeigt sich mit unterschiedlichsten Steindekoren in überzeugender Nachbildung der Originale. Manchmal ist anders besser.

Authentic variety. From concrete and screed to slate and sandstone through to granite. Autentico presents itself with all kinds of different stone decors that are convincing replicas of the original. Sometimes different is better.

Ornamento

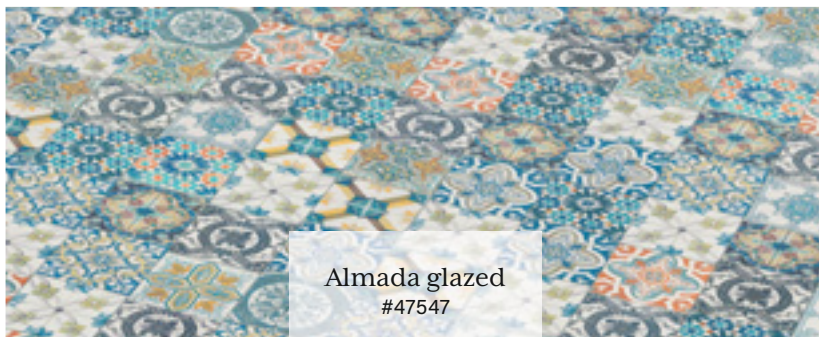

PIECE OF ART

Ornamentale Faszination. Ein gelungenes Spiel aus abstrakten Mustern und wiederkehrenden Motiven, dies in Kombination mit diversen Farbnuancen findet sich in der Kollektion Ornamento. Manchmal muss es Kunst sein.

Ornamental fascination. A successful play of abstract patterns and recurring motifs, and this in combination with diverse colour nuances can be found in the Ornamento collection. Sometimes it must be art.

Naturale

NATURE'S SIMPLICITY

Archaisch und erdverbunden. Ungeschliffener Estrich, Marmor wie aus dem Berg geschlagen. Das sind die Highlights der Kollektion Naturale, die sich in zahlreichen Farbvarianten darstellen. Manchmal muss es einfach ursprünglich sein.

Archaic and earthbound. Unpolished screed, marble as if knocked out of a mountain. These are the highlights of the Naturale collection, which are presented in numerous color variants. Sometimes it just has to be original.

Eigenschaften:

- ✓ einfach und schnell zu verlegen
- ✓ fußwarm
- ✓ bei Warmwasser-Fußbodenheizungen
schnell wärmeleitend
- ✓ nach dem Verlegen sofort möblierbar
- ✓ geeignet für Wohnbereich und Gewerberäume
- ✓ UV-Licht-beständig
- ✓ druck- und abriebfest
- ✓ unempfindlich gegen Zigarettenglut
- ✓ leicht zu pflegen
- ✓ megaloc Schnell-Verlegesystem

Characteristics:

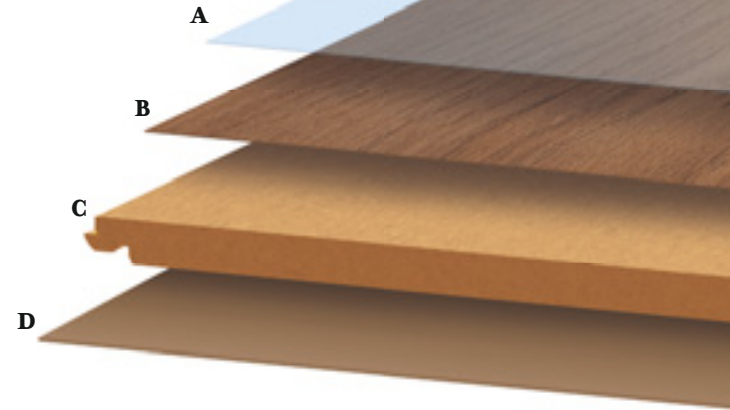

- ✓ *simple and quick to install*
- ✓ *warm to touch*
- ✓ *quick heat transfer with warm water
under floor heating*
- ✓ *can be furnished directly after installation*
- ✓ *suited to high demands in living areas*
- ✓ *UV light resistant*
- ✓ *pressure and wear resistant*
- ✓ *resistant to cigarette burns*
- ✓ *simple to clean*
- ✓ *megaloc fast laying system*

Aufbau structure

- A** Schutzschicht aus Melaminharz für hohe Belastbarkeit.
Protective layer made of melamine resin for high load-bearing capacity.
- B** Dekorschicht in naturgetreuer Optik.
Decor layer in true-to-nature look.
- C** Original CLASSEN-Board (HDF) als stabiles Trägermaterial und die Basis für megaloc.
Original CLASSEN-Board (HDF) as a stable substrate and the basis for megaloc.
- D** Gegenzug für Formstabilität und als Feuchtigkeitssperre.
Underlay for stability and as a moisture barrier.

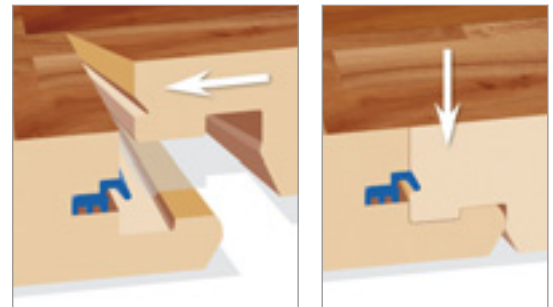

Das Schnell-Verlegesystem

Einfach ansetzen, einrasten und fertig:
Das patentierte Verlegesystem CLASSEN megaloc wurde speziell für das schnelle und einfache Verlegen von Laminatfußböden entwickelt.

The fast laying system

Just fit in place, click and you're done: the patented CLASSEN megaloc system was developed especially for the quick and easy laying of laminate flooring.

Ressourcenschonend & emissionsarm.

Kurze Transportwege, umweltfreundliche Produktionstechnologien sowie die Verwertung von Restholz im eigenen Biomasse-Heizkraftwerk ermöglichen die ressourcenschonende und emissionsarme Herstellung der bewährten CLASSEN Laminatfußböden.

Goes easy on resources and has low emissions.

Short transport paths, environmentally friendly production technologies and the recycling of residue timber in the company's own biomass combined heat and power plant allows the tried-and-trusted CLASSEN laminate flooring to be produced with careful use of resources and low emissions.
